FOREIGN VETTING CLEARED ACADEMI

BE ALERT! BE AWARE!

Report suspicious activities to your facility security o cer

- Scholarship requirements mandating internships with defense companies and otact with foreign diplomatic institutions
- Academic exchangerægments involving emerging and/or dual-use technology
- Intenational cooperative programs for innovative talents and foreign in uence (i.e. Thousand Talents, Foreign Experts Programs)
- Cultural Institust (i.e. Confucius Institute)

VETTING BEST PRACTICES:

Use security/red-flag and export control lists to screen for res ric ed or denied par ies such as the Consolidated Screening List, located at www.trade.gov/consolidated-screening-listThis list consolidates multiple export screening lists of the Departments of Commerce, State, and the Treasury. Any dealings with a party on any of these lists would violate U.S. export/sanctions regulations and would require further authorization and approval from the respective government agency:

- Delivide Person Lisist Undividual such as tilhie Consolidaved Screening List, located at www.trade.gov/consolidated-
